Thank you for your enquiry about the memorial for your loved one. Please complete this form in full.

The Parish Council appreciates that this may be a difficult time and aims to make the process as straightforward as possible. Providing all required information will allow us to handle your request efficiently. To enable us to deal properly with your request, it is necessary to comply with the following:

- A scale drawing of the proposed memorial must be submitted for approval by the Council.
- The contractor used must be a member of BRAMM (*British Register of Accredited Monumental Masons*) or NAMM (*National Association of Monumental Masons*) and it is suggested that, if practicable, a site visit by the contractor with the Parish Clerk would be advantageous.
- A Work Permit must be obtained from the Parish Council

The Cemetery is subject to Rules and Regulations, a copy of which may be obtained from the Clerk.
